A sheet for daily attendance is a resource generally imparted to a direct supervisor for that day's session and returned to be collated with other attendance lists. On a daily attendance sheet, the attendees should be individually listed in a way that is easy to annotate with comments in addition to marking attendance.

Attendance sheets give teachers a quick snapshot on how many days their learners are away from school.

Many schools even penalize children, grade-wise, for unexcused absences.

This is why it's so important to have a printable attendance sheet on hand and keep accurate records.
