Inboard Engine Mounts control vibration and keep your engine securely in place allowing the power to get where it's supposed to - to your prop shaft or outdrive. Find the right engine mount for your boat from Barr Marine, PYI or Bushings Inc.

Inboard Engine Mounts for Sale at Go2marine

With my new engines now several years old, and with the seawater pumps not getting any newer, I decided to replace them with improved ones from Seaboard Marine. It turns out that unless you build your own engine mounting system which provides enough room for this procedure, you have to remove the port forward engine mount to change out the seawater pumps on Cummins B engines.
