If you follow this blog regularly you'll know I read a lot.

Must Read: Feminism for Real | Gender Focus

There is no one form of feminism. Asking "what is feminism for real" is not a self-indulgent exercise — not when lives are at stake. Rather, it is a responsibility that we share in distributing knowledge, narratives and community resilience. Oppressed communities struggle with feminism while remaining engaged in the movement.

Book review: Feminism For Real | Vancouver Observer

Try Feminism For Real: Deconstructing the academic industrial complex of feminism and, challenge the notion that feminism began during the enlightenment or in a Marxist class war - we have to start looking at feminist history beyond just white history. "... women are so angry about their own starvation.

The future of feminism? - Shameless Magazine

1. Historical Context and Developments. Current feminist political philosophy is indebted to the work of earlier generations of feminist scholarship and activism, including the first wave of feminism in the English-speaking world, which took place from the 1840s to the 1920s and focused on improving the political, educational, and economic system primarily for middle-class women.
