Imperfect Creatures. Book Description: Lucinda Cole's Imperfect Creatures offers the first full-length study of the shifting, unstable, but foundational status of "vermin" as creatures and category in the early modern literary, scientific, and political imagination. In the space between theology and an emergent empiricism, Cole's argument engages a wide historical swath of canonical early modern literary texts-William Shakespeare's Macbeth, Christopher Marlowe's The Jew of Malta, Abraham ...

The Imperfect are large, reptilian creatures that only appear in Dragon's Sanctum, near the Lair of the Imperfect bonfire. While they have no eyes, noses or ears, they have enormous, human-like mouths and teeth. They drop Petrified Dragon Bones, Dragon Scales, and Titanite Slabs which, paired with their reptilian appearance and energy spitting ability, hints that they are some kind of twisted draconic descendant.

Each critter is given a name and comes with a nametag on the back of which reads, "Everyone has flaws and imperfections. When someone says you are perfectly imperfect, they are saying they like you enough to see past your faults, flaws and insecurities. In saying someone is perfectly imperfect it means you are perfect for them.

Imperfect Creatures. If we are in perfect health, it is not often that we think about our senses. Sure, your eyes may get tired after staring for a long time at the monitor, and your ears may be ringing if you get too close to the construction site. Could you imagine, though, living without one of your senses?
