is, to be loved by you.

How Sweet It Is Ukulele chords by marvin - Amchords

sweet. This is a very casual slang expression. It means something similar to "great" or "wonderful". It's used mostly by people in their mid-30's or younger, but it doesn't have any negative associations. "Sweet!" can be used by itself like in the example above. Or it can be used in a sentence: That is sweet!
