### SENTENCE PARTS AND PATTERNS

I'm stumped. I'm not sure why it is called the Little, Brown Handbook because it's not little at all, nor is it brown. It isn't even written by people with the names Little and Brown. The other thing that throws me off is that the comma between little and brown wouldn't belong there if it were descriptive of the book itself. Does anybody know?

Signing up for an English course and The Little Brown Handbook is required. The campus bookstore lists the 10th (newest) edition for this class. But since this book is basically the same every year, does it matter if it is another, earlier edition? It would make quite a difference in the price I pay. A earlier edition (like 7th) could be bought cheaply off a website that sells used books.
