LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier’s Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

If you see two people of any other race together, it's acceptable. If you see a white woman with a man of color together, it's seen as progressive and as a way for white women to atone for the acts that white men have committed in the past. If you see two people of different non-white races together, it's even more progressive. But for ...

The Savvy Life's motto is "spend smart". That says it all. They helped us create a spending plan, not a budget, that supports our lifestyle while having better control of our financial future. They made a process, that if done on your own can be somewhat tiring and painful, an enjoyable experience. - Michelle E., Los Angeles, CA

Living The Zen Life As A Foreign Woman In An Old Akita Temple - Savvy Tokyo. When Gretchen Miura married into a Buddhist temple family 17 years ago, she knew that she was about to embrace a completely foreign culture and bear the responsibility of continuing a centuries-old tradition. She didn't know, however, that with time, she would influence this tradition in ways that only she could.
