How to Defend a Dissertation Virtually - The New York Times

The reading assignments, labs, papers, and tests you have been assigned as a graduate student may not have been so different from your undergraduate course work. The dissertation, on the other hand, is a new kind of academic project, unlike anything else you've done. It is the academic project that marks your transition from student to scholar. 2.

Dissertations | Programs

A thesis or dissertation is a document submitted in support of candidature for an academic degree or professional qualification presenting the author's research and findings. In some contexts, the word "thesis" or a cognate is used for part of a bachelor's or master's course, while "dissertation" is normally applied to a doctorate, while in other contexts, the reverse is true. The term graduate thesis is sometimes used to refer to both master's theses and doctoral dissertations. The required com
