The In Churchsociety
Church Society exists to strengthen local churches in biblical faith and to help shape the Church of England now and for the future. We are an evangelical Anglican charity established to promote and uphold the biblical foundations of the Church of England.

About us | Church Society
Christianity - Christianity - Church and society: The development of Christianity's influence on the character of society since the Reformation has been twofold. In the realm of state churches and territorial churches, Christianity contributed to the preservation of the status quo of society. In England the Anglican church remained an ally of the throne, as did the Protestant churches of the ...

The role of the church in society is to help in every form all that are in need! However, helping or 'mentioning how we help', is never to be imposed as much as it must come out of of us individually in order for it to be genuine and not just a motion in the process of increasing our so called position, and better realizing who we are through grace and not by that which we could earn!

Church in Society. Church in Society: A Lutheran Perspective articulates the teaching of the ELCA on the church's relation to society and its public presence and responsibilities. The statement begins with the claim that the witness of the church in society flows from its identity as a community that lives from and for the gospel.
