### The Talking Greeks Speech Animals

This book argues that the Greeks believed what makes humans different from other animals is embarrassingly obvious: we speak; animals don't. But this zoological platitude also provided the metaphorical means for viewing those 'lacking' authoritative speech- women, barbarians, slaves, etc.-as bestial.

### Amazon.com: The Talking Greeks: Speech, Animals, and the ...

Greek women were denied a public venue for their speech, other than in sacred and ritual activities, and their words had no authority; Heath stresses that they were associated with animals in their lack of language. The use of speech by slaves (202-206) is a complex issue.
