Toyota Pickup 22re Engine Removal - centriguida.it

Which engine would you choose to replace a tired, worn out Toyota 22re? It isn't exactly often that you have to consider things like engine swaps in a Toyota pickup. But unlike many other brands, we tend to rack up a ton of miles on our trucks. Mainly, well, because we can.

Toyota Pickup Engine Swap Advice - YotaTech

Hi, replacing a head gasket for my friend on his 84 22r. Its been off roaded a lot and has 33 inch tires and several inches of body lift. So on top of the fact that i have to stand on crates to be able to reach the motor, its disgustingly filthy, so maybe I have overlooked something. The problem is with actual removal of the head from the block.
