Is anyone else having issues with their Volvo Penta D6 370 engines that were installed in 2008?? We have done all of the required maintenance since we purchased our 400SS brand new in 2008. We have had many issues, and noticed a vibration from the start of our usage/hours. Presently, we have had a problem with an oil pan leak (2008-port engine) and a trim line that blew (2009-starboard engine).
